

Salmon School District No. 291

COMMUNITY RELATIONS

4100P

Public Relations

Internal Process for Dissemination of School District Information

The Principal(s) and Director(s) are responsible to convey to the Superintendent the pertinent internal news of a particular building or department weekly.

The Use of Students as Couriers for Public Information

The use of students as couriers for public information is prohibited. Flyers sent home with students shall be limited to information concerning the welfare of students and parents. Information for or against an issue or proposition is prohibited.
