

Certified Personnel Resignation (Release from Contract)

Applicants for teaching positions with Salmon School District who are issued a contract and employees who are on contract should recognize that their contract with the District carries responsibilities. Certified personnel will generally be expected to fulfill the terms of their contract unless (1) there are clearly compelling, mitigating circumstances which prevent the certified or exempt individual from doing so; and (2) until such time as the Board releases the certified individual from the terms of the contract upon the recommendation of the Superintendent.

Employees (including those employees who have just signed their first contract) will not be released from contract during the school year or within 45 days of the start of the school year unless a suitable replacement can be found. The Board may make exceptions to this rule for serious health problems.

The Employee may make a written request for release from contract during the school year or immediately prior to the start of the school year, stating the date of requested release. The request should be submitted to the District offices so that a search for a suitable replacement can be initiated. If finding a replacement is not imminent, the District offices will advise the person submitting the request that the administration will recommend to the Board that the request be denied.

A determination of availability of a suitable replacement will be made by the administration before recommendation will be made to the Board that the employee be released from contract. If, in the judgment of the administration, there is not a suitable replacement, recommendation will be made that the Board NOT release the employee from contract.

Should any certificated employee desire release from his/her contract after the fifteenth day of June, the board of trustees may at its discretion request a hearing before the professional standards commission, alleging that the certificated employee is guilty of unethical and unprofessional practice.

Classified Personnel

Classified Employees not under contract are expected to give due written notice that will permit the District to conduct a search for a suitable replacement. Generally speaking, the Board expects a two-week notice.

All resignations should be in writing. Requests for resignation shall be transmitted to the Board as part of the regular personnel report.
