

District-Owned Vehicles

The District owns and maintains certain vehicles. Included among them are pickups, school buses and vans. These are for use by properly authorized personnel of the District for District business purposes.

Any driver who receives a citation for a driving violation while operating a District vehicle or use of District fuel card, shall personally pay all fines levied. All citations received while the driver is a District employee, operating a District vehicle, or using a District fuel card must be reported and may result in disciplinary action up to and including termination.

Bus and Vehicle Maintenance, District

Buses used in the District's transportation program shall be in safe and legal operating condition. All buses shall conform to standards of construction prescribed by the State Board of Education and inspections as required by law. The Superintendent or his/her designee shall establish a specific list of tasks that bus drivers shall perform on a daily basis. All other District vehicles shall be maintained following established programs as developed by the Superintendent or his/her designee.

Transportation Records

It shall be the policy of the Board to require accurate record keeping in all areas of transportation and such records shall be duplicated; one filed in the Transportation Supervisor's office and one filed in the office of the Superintendent.
